

THE CLOSET *Confidence* CHECKLIST

BUILD A WARDROBE YOU LOVE — WITH INTENTION

Great style isn't about constantly buying something new. It's about being **intentional** with what you own, understanding what works for you, and creating a wardrobe that supports your lifestyle and personal style.

Use this checklist to identify what's working, what's missing, and what may be keeping your wardrobe from feeling like **you**.

YOUR CLOSET CHECK-IN

Take an honest look at what you have and how it's working for you.

- ☐ I can easily identify the pieces I wear most often.
- ☐ The majority of my clothing fits me comfortably right now.
- ☐ I've let go of pieces that are damaged, uncomfortable, or no longer reflect my style.
- ☐ My closet is organized enough that I can actually see what I own.
- ☐ I know which pieces I keep passing over—and why.
- ☐ The pieces taking up space in my wardrobe have a purpose.

YOUR OUTFIT OPTIONS

Make the most of what you already own.

- ☐ I can create at least 3 different outfits using pieces I already own.
- ☐ I own reliable basics that work with several pieces in my wardrobe.
- ☐ I have statement pieces that make my outfits feel interesting and personal.
- ☐ I know how to dress my favorite pieces up and down.
- ☐ I have go-to outfits for my actual lifestyle—not just the life I imagine shopping for.

YOUR PERSONAL STYLE

Your style should reflect you.

- ☐ I can describe my personal style in 3–5 words.
- ☐ I know which colors make me feel my best.
- ☐ I know which silhouettes, lengths, and fits I feel most confident wearing.
- ☐ My wardrobe reflects my personality instead of simply following trends.
- ☐ When I get dressed, I usually feel like **myself**.

SHOP WITH INTENTION

- ☐ Can I style this at least 3 ways with what I already own?
- ☐ Does it fit my lifestyle?
- ☐ Does it work with other pieces in my wardrobe?
- ☐ Is it comfortable and flattering?
- ☐ Do I already own something similar?
- ☐ Am I buying it because I love it—not just because it's on sale?
- ☐ Can I clearly see when and where I'll wear it?

THE STATEMENT PIECE TEST

- ☐ I know what bottoms to pair with it.
- ☐ I know what shoes work with it.
- ☐ I know how to accessorize it.
- ☐ I can style it for more than one occasion.
